## General Field Trip Permission Form

Dear Parent(s),

Please find attached a copy of your child's permission Form. Please review this form, mark any changes or corrections, sign the consent for medical transportation and have your child return the form to their instructors. Throughout the year the students participate in several activities. Sometimes, transportation is required using a school bus. These trips may include, but are not limited to, swimming at the civic centre, or visiting museums, libraries, local businesses etc. Parents are notified about each trip in advance. For convenience sake, parents can sign a general permission form to travel on these day trips, and have their child return it to their teacher.
